WHAT IS THE ALEPH-TAV BODY SYSTEM

The Aleph-Tav Body System is a Hebrew electromagnetic telecommunication system of the human body. This system is made up of the basic building blocks of all creation, the Hebrew letters, which control all the information for the proper function, shape/form, and animation of the human body.

The letters control the system, and the system everything else.

ALEPH-TAV BODY SYSTEM – PROOF OF ENERGY SYSTEMS

- ✓ *Dr. Voll – used a basic multi-meter. An ohm meter to measure acupuncture points over 60 years ago.*
- ✓ *100 x different between acupuncture points and non points.*
- ✓ *Also noticed that the bodies electrical system would change when people held different supplements.*

ALEPH-TAV BODY SYSTEM – PROOF OF ENERGY SYSTEMS

After the research of Dr. Voll, Jean-Claude Darras MD, and Professor Pierre de Vernejoul MD *injected radioactive isotopes into acupuncture points* of patients and scanned the isotopes' uptake by gamma-camera imaging. The isotopes migrated along the classical Chinese meridian pathways, not the vascular or lymphatic systems.

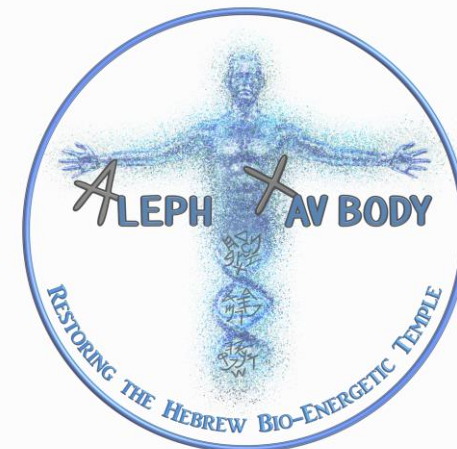

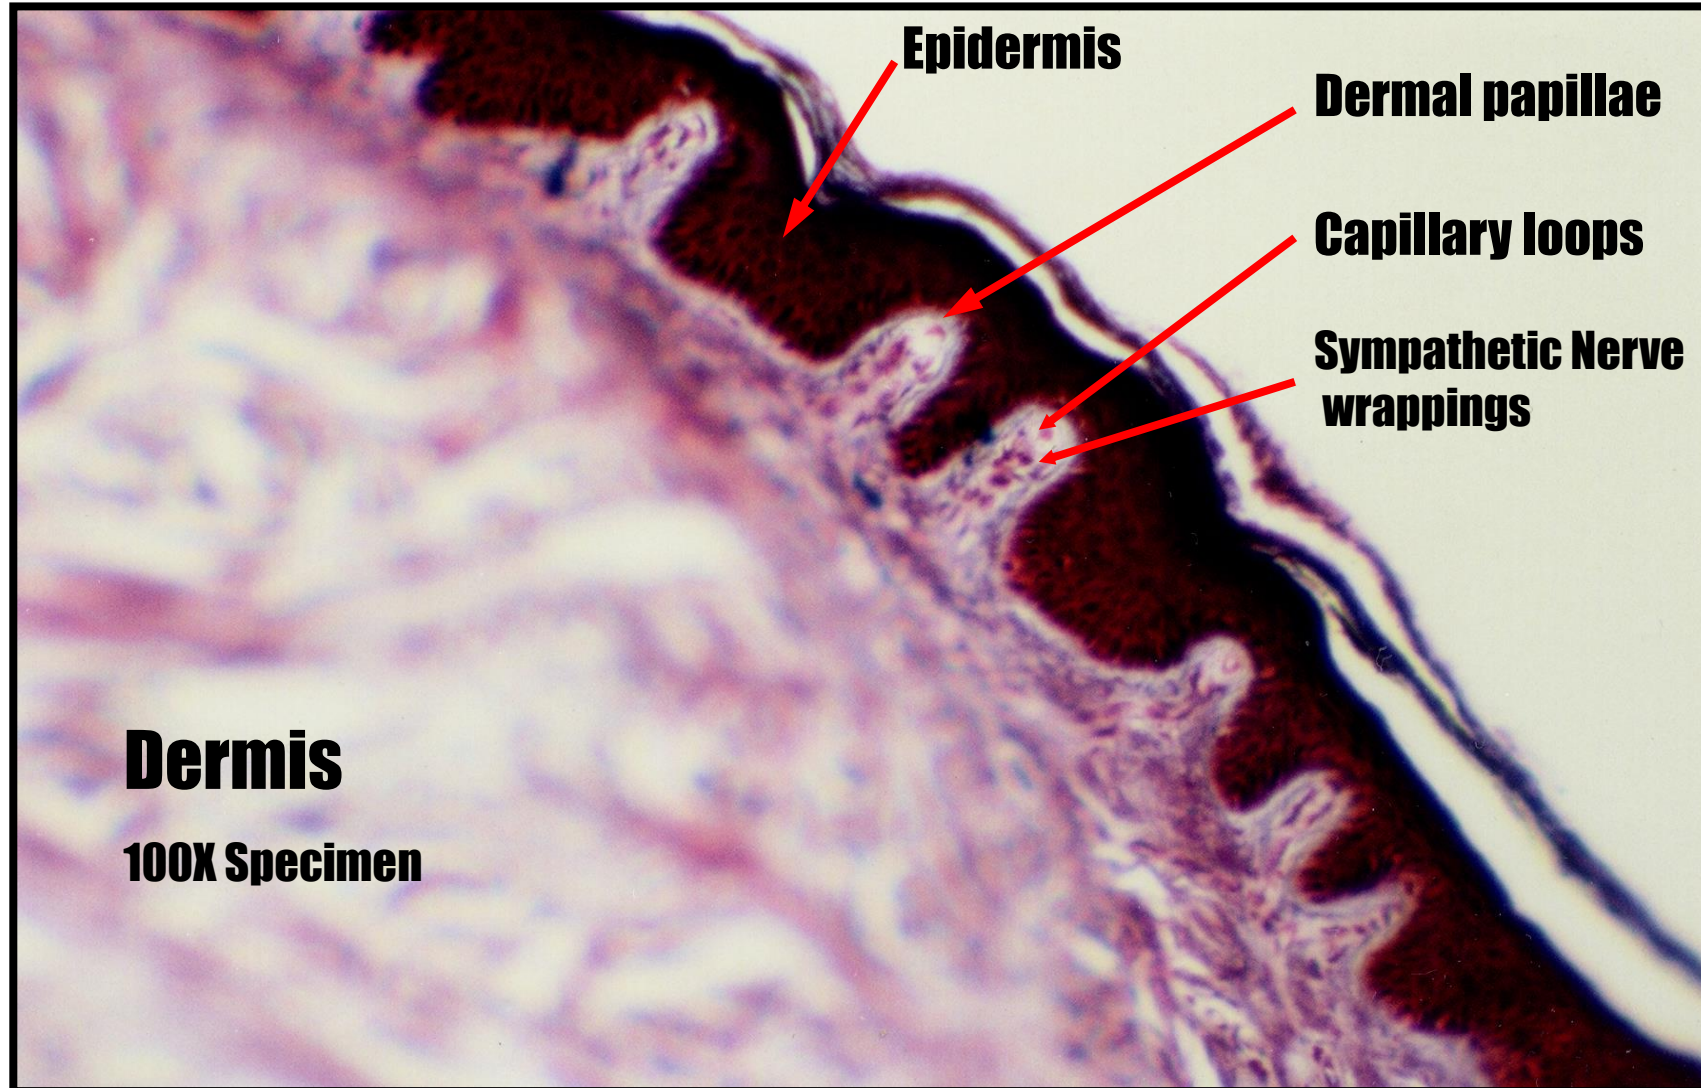

In contrast, isotopes injected into random points in the skin did not migrate at all.

BIOPHYSICS OF CREATION - PROPER COMMUNICATION IN PHYSICS

In-phase Coherence = proper communication = Message received and understood

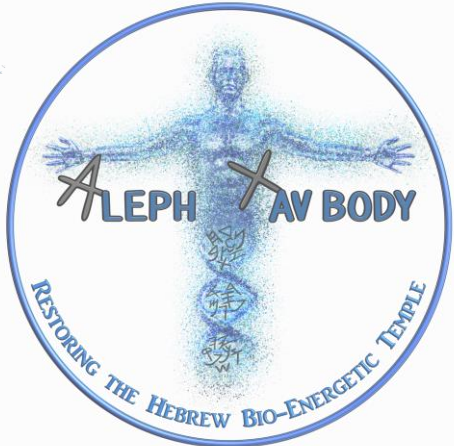

Out of phase Incoherence = improper communication = Message not completely received and/or misunderstood

BIOPHYSICS OF CREATION – BASIC CONCEPTS / PRINCIPLES

**PROPER CIRCULATION & RESONATION

**Communication & Resonation gets
Confused (incoherence) due to
improper circulation & Resonation**

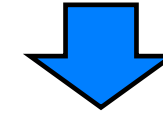

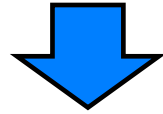

BIOPHYSICS OF CREATION - PROPER COMMUNICATION IN PHYSICS

- ✓ $E=mc^2$ “Everything is Energy”
- ✓ Everything in the body has a frequency.
- ✓ The Bio-electric systems work via communication.
- ✓ The Bio-electric systems circulate and function as resonators of frequency (Force/ Movement & information) which manifest into a physical body.
- ✓ The unseen creates the seen!! (Shadow DNA!)
- ✓ These subtle energy systems do not like to be (forced)!!!
Proper resonance is the goal, which can be done with just the laying on of hands!!

BIOPHYSICS OF CREATION - HOW THE BODY REALLY WORKS!

The Creator provides the Breath of Life – Light, Force/Movement, Information, Spirit, etc.

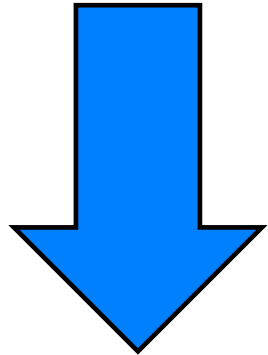

1) Informational Level – Electromagnetic communication of information.

Software, Energy / Frequency (unseen)

Controlled by Electromagnetic systems – like ATB, acupuncture meridians, charkas, etc.

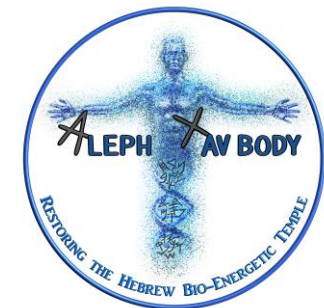

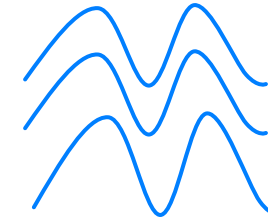

All working together in proper In-Phase Coherence like a giant electromagnetic telecommunication system.

- 3) Cellular Level**
- 4) Tissue Level**
- 5) Organ Level**
- 6) Organ System**
- 7) Organismal Level**

ALEPH-TAV BODY SYSTEM – HOW IT WORKS

POLARITY OF HANDS

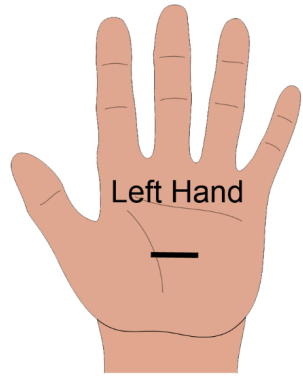

Breath of Light/Life Primary Pathway:
Starts the flow of all energy circulation in the body, and thus set-ups the opposite polarities of the Hands and feet.

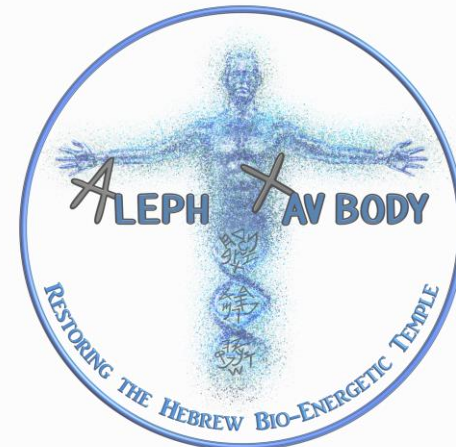

ALEPH-TAV BODY SYSTEM – HOW IT WORKS

HOW TO APPLY

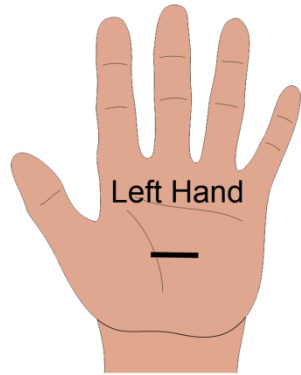

- 1) You simply touch two different locations on the body at the same time**
- 2) Both hand must be touching the body (- and +)**
- 3) For multiple step applications – only move the hand your told**
- 4) Each step of an application averages about 5 minutes**
- 5) Single step emergency applications – Keep holding until all symptoms are gone.**

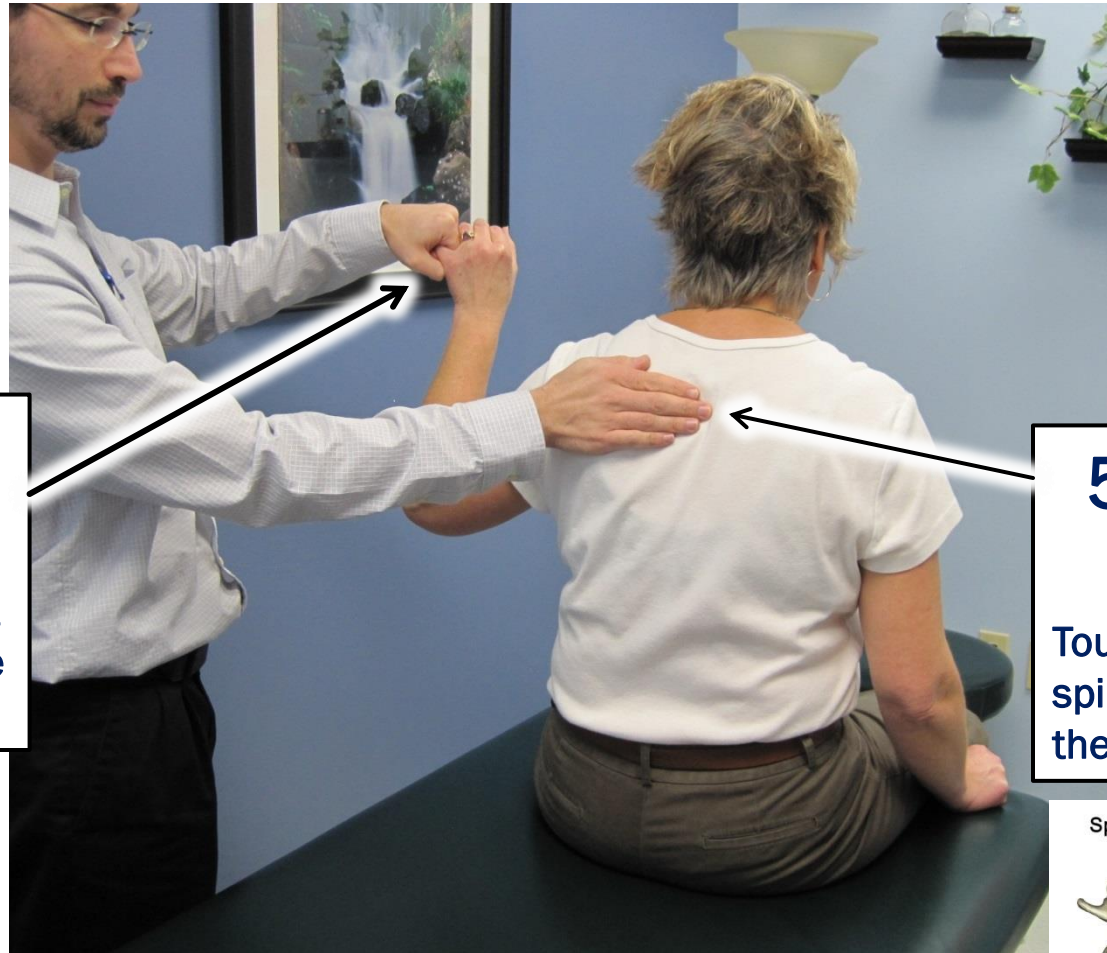

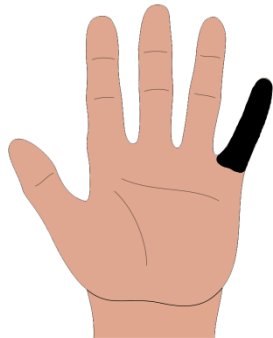

*Disclaimer: In case of emergency always call 911 and follow up with appropriate medical care. The following applications are for educational purposes only and are not intended to replace medical advice. No claims are being made about treating, diagnosing, or cursing disease.
