Pacific Time ≈		Sunday July 27	This session is livestreamed
Optional Livestream Raffle Drawing – a fun way to give us a hand			
4 PM	We delay the drawing because first-time participants are often hesitant to financially support an activity until it has demonstrated by performance that it is worthy. Keeping the door open for a few days following our event makes it possible and even potentially rewarding to support Red-Pill Expo <i>after</i> proof of performance. The drawing can be witnessed at: https://redpillexpo.org . Additional tickets can be obtained until the drawing begins. Go to: https://redpilluniversity.org/expo-registration .
